Many families across the community are turning to the YMCA as an important resource for family support, stress reduction and health and wellness.

The YMCA of Southern Indiana has served area families for over 40 years. We have always been here to help with membership and program scholarships to those in need of assistance, never abandoning our mission: to build strong kids, strong families and strong communities.

In this time of economic challenge, the YMCA of Southern Indiana has responded to unprecedented requests for additional assistance through our Financial Assistance Program. Your generous support ensures our ability to best serve the needs of our community.

*Event Details*

This year's event will be packed with fun contests including longest drive, longest putt, and four hole-in-one contests, each offering exciting prizes. A shamble format will ensure a fun day of golf for players of all skill levels.

Improve your team's chances of victory by purchasing mulligans, yards and grass skirts.

Players will automatically be entered for great door prizes and the silent auction will give everyone a chance to take something home. Each player will also receive two beverage tickets at registration.
